MCID project funding application reviewing process

UNIVERSITY

MCID

MULTIDISCIPLINARY CENTER

OF BERN

FOR INFECTIOUS DISEASES

MCID Office:

- Receive project funding applications
- Admin quality check
- Selection of reviewers
- Proposals sent to reviewers

Reviewers (panel & remote):

Each proposal receives scores (and justifications) from reviewers

Reviewing panels (one per Theme):

- Reviewers: (national and international) (+ Chair and Co-Chair as observers)
- Panels meet to discuss proposals based on reviewer scoring / feedback
- Decisions on inconsistent reviewing outcomes
- Generate provisional ranking of projects per Theme

Rapporteurs:

- Present panel outcomes to RFC

Research Funding Committee (RFC):

- Voting members (non-MCID Members)
- (+ Chair and Co-Chair as observers)
- Take final acceptance decisions:
 - Ensuring fit to MCID aims / call remit
 - Balancing clusters / themes
- Make final budget decisions

MCID Office:

- Inform applicants of outcome
- Provide feedback for non-funded projects
